

R. Stump's District 6 Rankings and District Predictions

Rankings are based on the weights wrestlers have been at throughout this season. If you see any discrepancies, please email me at rstumpgym1@yahoo.com.

The top 8 at each weight class are shown. **Wrestler's in bold are predicted state qualifiers. (Remember that the SW Region and NW Region will be combined for the Western Super Regional this year. Only four wrestlers will go to Hershey.)**

| 6. Mason Beatty (9) | Mount Union |
| 7. Colten Shunk (9) | Penns Valley |
| 8. Camden Stewart (10) | Marion Center |

District Predictions (Top 3 advance)

- 1. Bainey**
- 2. Fye**
- 3. Walls**
- 4. Biesinger**

Notes: Landon Bainey's motor will keep running right through the competition. Fye and Walls should be a fun semifinal.

113

- | | |
|-----------------------------|------------------------|
| 1. Coen Bainey (10) | Bald Eagle Area |
| 2. Bryce Beatty (12) | Mount Union |
| 3. Trent Hoover (9) | Penn Cambria |
| 4. Landon Dunsmore (10) | Huntingdon |
| 5. Nick Zabinski (9) | Glendale |
| 6. Tony DiPoala (12) | Forest Hills |
| 7. Scott Frantz (11) | Philipsburg-Osceola |
| 8. Chase Fleshman (10) | Penns Valley |

District Predictions (Top 3 advance)

- 1. Bainey**
- 2. Hoover**
- 3. Beatty**
- 4. DiPoala**

Notes: Coen Baine is really aggressive and I see him outscoring everyone.. I think a Baine/Hoover final would be fun. Don't count out Bryce Beatty and his experience to possibly win this weight class either.

120

- | | |
|----------------------------|----------------------|
| 1. Mason Gibson (9) | Bishop McCort |
| 2. Hunter Walk (12) | Tyrone |
| 3. George Campbell (9) | Glendale |
| 4. Jaxon Matthews (11) | Central |
| 5. Marcus Gable (9) | Philipsburg-Osceola |
| 6. Hunter Forcellini (9) | Forest Hills |
| 7. Kaden Barnhart (9) | Blairsville |
| 8. A.J. Chilcote (11) | Mount Union |

District Predictions (Top 3 advance)

1. **Gibson**
2. **Walk**
3. **Campbell**
4. **Gable**

Notes: Gibson and Walk are definitely the studs here. They are both high-paced wrestlers that will provide a lot of fun scrambles on Saturday afternoon. I see Campbell and Gable providing a fun "win and in" match for 3rd. Jaxon Matthews turned his magic on at districts last year. Can he do it again this year?

126

- | | |
|------------------------------|------------------------|
| 1. Cooper Gilham (12) | Bald Eagle Area |
| 2. Easton Toth (11) | Forest Hills |
| 3. Ian Crouch (12) | Central |
| 4. Jeff Darlington (12) | Penns Valley |
| 5. Ethan Zukus (12) | Richland |
| 6. Nick Coudriet (11) | Philipsburg-Osceola |
| 7. Ashton Sipes (11) | Tyrone |
| 8. Luke Benner (12) | Westmont Hilltop |

District Predictions (Top 3 advance)

1. **Gilham**
2. **Toth**
3. **Crouch**
4. **Darlington**

Notes: Toth and Crouch will provide a good semifinal here. Cooper Gilham will come out on top in a high scoring close final. I do not see anyone challenging Crouch for 3rd.

132

- 1. Jackson Arrington (11) Forest Hills**
- 2. Zack Witmer (12) St. Joseph's Academy**
3. Allen Mangus (12) Richland
4. Ty Watson (9) Penns Valley
5. Drake Holderman (12) Bald Eagle Area
6. Eden Wagner (11) Huntingdon
7. Lukas Walk (9) Tyrone
8. David Ray (9) Westmont Hilltop

District Predictions (Top 3 advance)

- 1. Arrington**
- 2. Witmer**
- 3. Watson**
- 4. Mangus**

Notes: Jackson Arrington seems like he is on a mission. Witmer will keep it close in the finals, but I do not think he can beat Arrington. Watson is a fun freshman to watch! Mangus has a lot of experience, so I cannot count him out of moving on to IUP.

138

- 1. Brock McMillen (12) Glendale**
- 2. Amon Ohl (12) St. Joseph's Academy**
- 3. Noah Teeter (11) Forest Hills**
4. Cole Claycomb (10) Claysburg-Kimmel
5. Roy Dunn (12) Westmont Hilltop
6. Austin Foster (11) Philipsburg-Osceola
7. Andrew Weaver (9) Tyrone
8. Austin Syfert (11) Richland

District Predictions (Top 3 advance)

- 1. McMillen**
- 2. Ohl**
- 3. Teeter**
- 4. Claycomb**

Notes: LOADED!! This weight class has 6 studs here. I could see 2-6 being in any order from Ohl, Teeter, Claycomb, Dunn, and Foster. This will be a can't miss weight class to watch. Brock, of course, is in a class all by himself. The consi-semis and consi-finals will be fun to watch!

145

1. **Cooper Warshel (12)** **Richland**
2. Dustin Flinn (10) Forest Hills
3. Reese Wood (10) Tyrone
4. Luke Hughes (11) Philipsburg-Osceola
5. Jeffre Pifer (10) Bald Eagle Area
6. Adam McCullough (12) Central Cambria
7. S. Hanley (9) Westmont-Hilltop
8. Noah Fetteroff (11) Penns Valley

District Predictions (Top 3 advance)

1. **Warshel**
2. **Flinn**
3. **Wood**
4. **McCullough**

Notes: Cooper Warshel is so tough on his feet! Flinn and Wood will have a great semifinal match. I do not see any of the other wrestlers pushing for a Top 3 spot other than Warshel, Flinn, and Wood.

152

1. **Hudson Holbay (12)** **Westmont-Hilltop**
2. **Zeke Dubler (10)** **Glendale**
3. Gavin Stewart (11) Marion Center
4. Eli Morder (12) Juniata Valley
5. Tye Templeton (11) Forest Hills
6. Dristen Wolfe (11) Penns Valley
7. Heath Basalla (10) Bald Eagle Area
8. Austin McCloskey (10) Penn Cambria

District Predictions (Top 3 advance)

1. **Holbay**
2. **Stewart**
3. **Dubler**
4. **Morder**

Notes: The top 3 in Holbay, Stewart, and Dubler could finish in any order. I feel that Dubler's big jump in weight this year may be a factor in his ability to match-up with Holbay and Stewart. Although I cannot count him out! He may be the most solid wrestler in all three positions. These three are ahead of the field at 152.

1. **Ryan Weyandt (12)** **Forest Hills**
2. **Hunter Weitosh (12)** **Philipsburg-Osceola**
3. Aiden Taylor (12) Bellwood-Antis
4. Andrew McMonagle (9) Central
5. Noah Foltz (11) Bald Eagle Area
6. Tommy Cohenour (9) Southern Huntingdon
7. Garret Misiura (12) Glendale
8. Cole Stuchal (10) Blairsville

District Prediction (Top 3 advance)

1. **Weyandt**
2. **Weitosh**
3. **Taylor**
4. **McMonagle**

Notes: Another loaded weight! I am anxious to see how McMonagle will do against the top three studs here. I think the Weyandt/Weitosh final may be the best match of the tournament. They both like to role around, so I see a lot of points and possibly a fall in the finals. I can't count out Noah Foltz, who is having a great junior year.

1. **Malachi DuVall (12)** **Penns Valley**
2. Subs Dubler (11) Glendale
3. Hunter Holbay (12) Westmont Hilltop
4. Ty Noonan (12) Bellwood Antis
5. Jonathan Hazjus (11) Central Cambria
6. Tanner Hall (12) Central
7. Brady Proctor (12) Bald Eagle Area
8. Adam Cattau (12) Marion Center

District Prediction (Top 3 advance)

1. **DuVall**
2. **Dubler**
3. **Noonan**
4. **Hazjus**

Notes: Malachi DuVall is a point scoring and pinning machine. He should win this weight easily. Suds Dubler is by far the second-best wrestler at this weight. I am excited to see how Ty Noonan does on Saturday. He hasn't wrestled much over the past two years, so he could still have some rust. I do think the third spot is up for grabs here between Noonan, Hazjus, Holbay, and Proctor.

189

1. Ian Eckenrode (12) Cambria Heights
2. Ethan Kubat (11) Central Cambria
3. Myles Baney (12) Huntingdon
4. Tommy Hicks (12) Tyrone
5. Clayton Arnold (12) Mount Union
6. Mason Bell (10) Blairsville
7. Madox Muto (11) Westmont-Hilltop
8. Ben Carolus (11) Juniata Valley

District Prediction (Top 3 advance)

1. **Eckenrode**
2. **Kubat**
3. **Baney**
4. **Hicks**

Notes: Ian Eckenrode is just such a solid and fundamentally wrestler. He will win this weight. Kubat and Baney could go either way. If this match is wrestled on their feet, I give the edge to Kubat. If this match is wrestled down on the mat, my money is on Baney. I can't count out Tommy Hicks to possibly sneak in at the 3rd spot here.

215

1. **Ethan Yingling (12) West Branch**
2. **Parker Moore (12) Philipsburg-Osceola**
3. Zach Weakland (12) Cambria Heights
4. Tanner Dluhos (12) Westmont-Hilltop
5. Austin Wagner (10) Penn Cambria
6. Briar Deline (12) Huntingdon
7. Alex Weaver (12) Tyrone
8. Brody Pyles (12) Southern Huntingdon

District Prediction (Top 3 advance)

1. **Moore**
2. **Yingling**
3. **Weakland**
4. **Dluhos**

Notes: I think this weight could be the biggest toss-up. Any of these four could win. It is going to depend on who can put the best three matches together on Saturday. I will go with Parker Moore as he has proven to win big matches. Yingling showed how good he is on his feet on Tuesday. Weakland and Dluhos just know how to win matches. This weight will be fun to see how it plays out.

285

1. **Marvin Beatty (12) Marion Center**

2. Ben Sharer (10) Penns Valley
3. Karter Quick (10) Central Cambria
4. Chase Klinger (11) Philipsburg-Osceola
5. Gunner Singleton (10) Huntingdon
6. Brock Smeal (11) Glendale
7. Mason Raymond (10) Penn Cambria
8. Braden Ewing (9) Tyrone

District Predictions (Top 3 Advance)

1. Beatty
2. Sharer
3. Quick
4. Smeal

Notes: Marvin Beatty seems like he has been here forever. He is a pinner! I think Sharer could give him a good match in the finals. Don't be surprised if Quick sneaks into the championship match. You never know what is going to happen when the Big Boys step out onto the mat! I could see the 3rd spot up for grabs between Quick, Smeal, Klinger, and Singleton.
